All through Colour and Multicolour candles, except Super Giant Stubby, are sold in pairs joined at the wicks.

Standard size pairs can be supplied boxed at additional cost, if you want this "tick" the column alongside colours required.

Colour/size combinations marked  are non stock.

Multicolour candles are a white core overdipped with bands of coloured wax giving a striped effect. Finished to 'Standard' size in the listed colour combinations below, other colour combinations can be made to order.

*Black candles may be fluted due to use of recycled wax.

Outdoor Candles / Garden flares

Our flares helped to light up Glastonbury Tor on Millennium Eve, seems a long time ago now. They consist of a circular cotton wick on a 30 - 36" cane dipped in coloured paraffin wax and give 4 hours of flaming light for your outdoor parties, festivals or other events. Can be carried in processions with hand protection. Best displayed in bucket or earthenware pot filled with sand.

Goods on account all invoices to be settled within 30 days. Statements are not usually issued.

Additional Notes:

All candles (except Super Giant Stubby) are supplied in pairs joined by the wicks. All sizes given are approximate due to the dipping process.

Non stock colours in the standard sizes available to order subject to minimum quantities of: 150prs standard, long, stubby, chime or taper, and 50prs giant, giant stubby or stumpie. Special sizes made to order up to 64mm diameter.

Candles are best kept out of direct sunlight i.e. not in shopfront in summer and are better displayed along a rail rather than on hooks where the wicks may get tangled.

Colours variable and subject to availability - nearest equivalent shade may be substituted. If you require an exact match please send a sample or quote a Pantone number.

Email address If you would like occasional updates of our order form please provide your email address. This will not be shared with any other company.

Receipt of delivery Please DO NOT SIGN "RECEIVED IN GOOD CONDITION" without examining the contents of the consignment, as this may invalidate any insurance claim.

Breakages in transit should be notified and will be credited against future orders.

Delivery Please normally allow 14 days for delivery but 28 days in November and December.
